

## Our Mission

Through community partnerships, we obtain and distribute emergency food from our neighbours for our neighbours.

We are a community-based charity that procures and warehouses emergency food. The food is distributed to our 76 member agencies and community food programs throughout Kitchener, Waterloo, Cambridge and the surrounding Townships of Wilmot, Woolwich, Wellesley and North Dumfries.

Last year, approximately 3 million pounds of food helped approximately 28,000 adults and children.

Your support of this tournament is vital to our operations. For every \$1 donated, we are able to distribute over \$8 worth of emergency food. Your support will help to feed hungry children and families in our community.

Thank you for your support!
